

**Walter L. Williams**  
Group Leader

## **Health Care**

Step toe & Johnson's Health Care Practice Group has extensive experience helping health care providers achieve their goals. Firm lawyers work closely with administrators, chief executives, financial officers, boards, physicians, and staff to provide the resources they need to make effective decisions and find cost-effective solutions tailored to the needs of their organizations.

## **Representative Experience**

- Jury trial in medical malpractice case
- Defended orthopedic surgeon in jury trial alleging orthopedic malpractice.
- Represented physician accused of medical malpractice resulting in spinal cord injury to patient
- Negotiated and closed a settlement on behalf of a major medical referral facility's physician group in an action alleging deficiencies in their infection control program
- Defend long term care facilities in jury trials involving claims of abuse, neglect and wrongful death
- Defended medical malpractice claims for defendant medical providers
