

Overview

Steptoe & Johnson's mergers and acquisitions team gets deals done. We represent clients in a wide range of critical business transactions. Our attorneys have experience serving middle-market companies in high-value mergers, acquisitions, joint ventures, strategic alliances, cross-border transactions, asset and equity purchases, divestitures, and corporate reorganizations. We represent buyers, sellers, and stakeholders of both private and public companies across industries such as energy, manufacturing, health care, hospitality, and technology.

Steptoe & Johnson's deal teams tailor solutions to meet transaction-specific objectives, taking into consideration deal structures, market conditions, and industry contexts. We help clients manage regulatory hurdles, evaluate timing and execution risks, and adapt to shifting commercial pressures and government regulations. We bring disciplined focus and discernment to the facilitation of complex carve-outs, strategic acquisitions, ownership transitions, and more. Our clients rely on us for clear counsel that helps position them for long-term success.

Representative Experience

- Served as outside general counsel for a closely held family business in a variety of investments in hedge funds, private equity, privately held companies, and other investment vehicles totaling over \$5 billion
- Represented sellers and buyers in major Texas producing basins (including the Permian and Eagle Ford), the Appalachian Basin, the Mid-Continent region, and the Rockies in multiple \$100 million+ upstream asset acquisitions and divestitures, including the purchase and sale of minerals, royalties, producing and nonproducing wells and leaseholds, and other upstream interests, and in corporate transactions, including the sale of an entity worth \$3.75 billion
- Represented a NYSE-listed waste management company in the \$1.94 billion sale of its waste to the energy division of a private equity fund
- Represented a successful manufacturing company and its shareholders in a divestiture of its assets to an Irish public company for \$385 million
